

CALL FOR PAPERS

ICLGTV 2022
Jun 21-22, 2022
Vienna, Austria

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICLGTV 2022 : International Conference on Local Government, Theories and Values is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Local Government, Theories and Values. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Local government
The politics of local government
Theories and values of local government
Local government and administration
State and local government
Control and power in central-local government relations
Local government and urban affairs in international perspective
Performance management issues in local government
Local and regional government

Local needs
Accounting, management and organizational change
Local government and strategic choice
Financing local government
Centralization and the legitimacy problems of local government
Local government and urban politics
Local government perspectives
The structure of local government law
