

# CALL FOR PAPERS

**ICQCTIPCPC 2022**  
**Jun 21-22, 2022**  
**Vienna, Austria**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICQCTIPCPC 2022 : International Conference on Quality of Care and The Importance of Person-Centered Primary Care is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Quality of Care and The Importance of Person-Centered Primary Care. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Person-centered care  
Primary care  
Aging

Chronic diseases  
Multimorbidity  
Quality of care
