

CALL FOR PAPERS

ICRSCS 2022
Jun 21-22, 2022
Vienna, Austria

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICRSCS 2022 : International Conference on Rural Sociology, Community and Society is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Rural Sociology, Community and Society. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Rural sociology
Rural life, people, places, and problems
Origin and development of rural sociology
Social life in rural and non-metropolitan areas
Public policy and local development
Environmental well-being
Sustainable development of natural resources
Social and community quality of life
Diffusion and impacts of technologies

Rural people and places
Rural community revitalization
Rural demographic changes
Rural poverty
Natural resource allocations
The environment, food and agricultural systems
Land reforms in rural society
Social structure and conflict in rural areas
