

# CALL FOR PAPERS

**ICAMAE 2022**  
**Jun 21-22, 2022**  
**Vienna, Austria**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAMAE 2022 : International Conference on Applied Mechanics and Automobile Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Applied Mechanics and Automobile Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Aerodynamics	Engineering Economics and Management
Applied Mechanics	Energy Conversion and Management
Alternative and Bio-fuel Technologies	Environmental Engineering
Automation, Mechatronics and Robotics	Fluid Mechanics and Machinery
Automobile Engineering	Fatigue and Fracture
Applied Materials Engineering	Glass and Ceramics Engineering
Agricultural Engineering	Heat and Mass Transfer
Bio-Medical and Tissue Engineering	IC Engines and Emissions
Clean and Renewable Energy Technologies	MEMS and Nanotechnology
CAD/CAM/CIM	Naval Architecture and Marine Engineering
CFD	Operations Research
Control Engineering	Operations Management
Composite and Smart Materials	Product Design
