

# CALL FOR PAPERS

**ICANPN 2022**  
**Jun 21-22, 2022**  
**Vienna, Austria**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICANPN 2022 : International Conference on Advanced Nanomaterials and Polymer Nanocomposites is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Advanced Nanomaterials and Polymer Nanocomposites. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Smart polymer nanocomposites  
Characterization, and applications  
of polymer nanocomposites  
Polymer nanocomposites for  
engineering applications  
Polymer nanocomposites: from  
synthesis to applications  
Polymer nanocomposites and their  
applications in electronics  
industry  
Conducting polymer nanocomposites

Nanomaterials and polymer  
nanocomposites  
Clay-based polymer nanocomposites  
Nanotechnology for circulating  
tumor biomarker analysis  
Nano polymeric particles  
Nanotechnology as a food  
perspective  
Nanotechnology in wood-composite  
materials
