

CALL FOR PAPERS

ICBDAUPCE 2022
Jun 21-22, 2022
Vienna, Austria

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBDAUPCE 2022 : International Conference on Building Design, Architecture, Urban Planning and Construction Engineering is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Building Design, Architecture, Urban Planning and Construction Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Architectural Engineering
Architecture
Building Materials
Civil Engineering
Construction Engineering
Design
Eco-Buildings
GIS
Geological Engineering

Landscape
Materials Engineering
Nanotechnology and Smart Materials
Pollution
Smart Buildings
Structural Engineering
Transport and Transportation
Engineering
Urban Planning
