

CALL FOR PAPERS

ICBRS 2022
Jun 21-22, 2022
Vienna, Austria

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBRS 2022 : International Conference on Botanical Remedies and Supplements is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Botanical Remedies and Supplements. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Botanical medicines: challenges and regulations
Botanical drugs discovery and development
Using herbs and botanical remedies for home health
Quality control of botanical drugs
Advantages of botanical supplements over modern medicine
Herbal drugs and formulations
Anti inflammatory herbs
Herbs for anxiety
Smoking herbs
Fertility herbs

Adaptogenic herbs
Herbal hair products
Herbal vitamins
