

CALL FOR PAPERS

ICFMBD 2022
Jun 21-22, 2022
Vienna, Austria

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFMBD 2022 : International Conference on Fiscal Management, Budget and Deficit is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Fiscal Management, Budget and Deficit. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:
