

# CALL FOR PAPERS

**ICIAST 2022**  
**Jun 21-22, 2022**  
**Vienna, Austria**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICIAST 2022 : International Conference on Installation Art and Sensor Technology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Installation Art and Sensor Technology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:
