

CALL FOR PAPERS

ICMCT 2022
Jun 21-22, 2022
Vienna, Austria

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMCT 2022 : International Conference on Multimedia and Communication Technologies is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Multimedia and Communication Technologies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Enabling Technologies for
Multimedia
Multimedia Applications
Consumer Systems and Networks
Speech and Audio Processing
Image and Video Processing
Applied Signal Processing
Communication & Coding Theory
Opto-Electronics & Optical
Communication
Soft Computing Applications

Wireless Communication
Fixed/Mobile Access Networks
Communication QoS and Reliability
Ad-hoc, Sensor & Mesh Networks
Next Generation Networks and
Services
Authentication, Privacy, Security &
Legal issues
Device Modeling
Circuit Design & VLS
Analog Signal Processing
