

CALL FOR PAPERS

ICNMP 2022
Jun 21-22, 2022
Vienna, Austria

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNMP 2022 : International Conference on Nanofabrics and Manufacturing Processes is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Nanofabrics and Manufacturing Processes. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Manufacturing Process of Fabric
Nanotechnology in Textiles
Polymers in Textiles
Technical Textile
Recycled Fabric
Nanofabrics
Manipulating Fabrics
Natural Dyes and Fabric
Biomass Fibres in Textiles
Sustainable Fibers and Textiles
Industrial Fabrics and Their
Production Process
Eco Friendly Fibers
Physical Characteristics of Cotton

Denim Fabrics
Organic Leather
Characteristics of Carbon Fibre
Weaving Technology for Narrow Width
Fabrics
Smart Textiles and Its Application
Textile Materials and Process
Computer-aided Designing in Apparel
Industry
Advancement in Digital Printing
Fashion Design and Technology
Evolution of Fashion
Fiber Identification
Home Textiles
