

CALL FOR PAPERS

ICRPFSSNA 2022
Jun 21-22, 2022
Vienna, Austria

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICRPFSSNA 2022 : International Conference on Risk and Protector Factors, Socioeconomic Status, Neurodevelopment and Adolescents is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Risk and Protector Factors, Socioeconomic Status, Neurodevelopment and Adolescents. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Neurodevelopment
Neuropsychology
Early stimulation
Children
Adolescents

Socio-economic status
Executive functions
Toxic stress
Malnutrition
Protective factors
