

# CALL FOR PAPERS

**ICTCE 2022**  
**Jun 21-22, 2022**  
**Vienna, Austria**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICTCE 2022 : International Conference on Textiles and Clothing Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Textiles and Clothing Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Applied Textile and Clothing  
Clothing and Textile Sciences  
Clothing technologies and engineering  
Comfort and well being  
Composite materials / Bio and nano composites  
Digital printing  
Fashion and design in textile  
Fashion and Textile Technologies  
Fibers and polymers  
Garment manufacturing  
Intelligent textiles and clothing  
Mass and heat transfer  
Medical and healthcare textiles

Nanotechnology in textile  
Protective textiles  
Smart textiles  
Sustainability in textile  
Technical and functional textiles  
Textile and clothing machinery industry  
Textile and Clothing Management  
Textile and Clothing Technology  
Textile application, design, retail, and marketing  
Textile dyeing and finishing  
Textile Engineering and Clothing Technology  
Textile management  
Textile manufacturing and processing
