

CALL FOR PAPERS

ICVCNC 2022
Jun 21-22, 2022
Vienna, Austria

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICVCNC 2022 : International Conference on Vehicular Cloud Networks and Computing is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Vehicular Cloud Networks and Computing. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Vehicular cloud computing
Vehicular cloud networks
Vehicular cloud architectures and models
Cloud computing and mobile cloud computing

Vehicular cloud computing
Applications of vehicular cloud computing
Security and privacy in vehicular cloud computing
Distributed processing in vehicular cloud networks
