

CALL FOR PAPERS

ICCP 2022
Jul 19-20, 2022
Paris, France

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCP 2022 : International Conference on Clinical Physics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Clinical Physics. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Clinical Physics
Radionuclide production and
radiochemistry
Instrumentation and modelling
Oncology
Cardiology

Neurotransmission
Software
Nuclear Medicine
Radiation Therapy
Radiology
