

CALL FOR PAPERS

ICPDT 2022
Jul 08-09, 2022
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPDT 2022 : International Conference on Psychiatry, Diagnosis and Therapy is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Psychiatry, Diagnosis and Therapy. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Diagnosis and therapy	Cultural psychiatry
