

CALL FOR PAPERS

ICCBARHIRH 2022
Jul 22-23, 2022
Tokyo, Japan

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCBARHIRH 2022 : International Conference on Community-Based Approaches for Reducing Health Inequities, Racism and Health is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Community-Based Approaches for Reducing Health Inequities, Racism and Health. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Health promotion
Disease prevention
Health equity
Social determinants of health
Empowerment

Participatory action research
Community capacity building
Racism and health
Community engagement
