

CALL FOR PAPERS

ICLSBPPSQ 2022
Aug 23-24, 2022
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICLSBPPSQ 2022 : International Conference on Linking Seed Biology to Plant Preservation and Seed Quality is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Linking Seed Biology to Plant Preservation and Seed Quality. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Abiotic stress
Conservation
Dormancy
Ecophysiology
Ex situ
Germination

Germplasm
In situ
Seed development
Seed functional traits
Seed quality
