

CALL FOR PAPERS

ICGCRC 2022
Aug 26-27, 2022
Paris, France

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICGCRC 2022 : International Conference on Geneva Conventions and Red Cross is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Geneva Conventions and Red Cross. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Social reform
Individualism
Early ideas
Abolition of slavery
Labor conditions
Criminal punishments
Prison reform
Abolition of torture
Treatment of the mentally ill
Treatment of women
Treatment of animals

Humanitarianism in armed conflict
and international humanitarian law
Formation of the Red Cross
Geneva Conventions
Means of war
Nuremberg Tribunal
International Criminal Court
Right of humanitarian intervention
Other forms of humanitarianism
Humanitarian intervention in
situations of urban violence
