

# CALL FOR PAPERS

**ICFPPH 2022**  
**Aug 16-17, 2022**  
**Barcelona, Spain**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFPPH 2022 : International Conference on Family Planning and Reproductive Healthcare is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Family Planning and Reproductive Healthcare. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Reproductive health  
Family planning services  
Women's healthcare  
Contraceptives-birth control  
Reproductive medicine  
Reproductive endocrinology  
Reproductive toxicology  
Reproductive ageing  
Women reproductive cancers

Male reproductive cancers  
Reproductive hazards  
Reproductive hazards for female workers  
Lifestyle factors and reproductive stress  
Sexual and reproductive health and rights (SRHR)  
Governance and accountability  
Ethical, legal and social issues in reproductive health  
SRH integration in health systems
