

# CALL FOR PAPERS

**ICNAAD 2022**  
**Aug 23-24, 2022**  
**Kuala Lumpur, Malaysia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNAAD 2022 : International Conference on New Animal Architecture and Design is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of New Animal Architecture and Design. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Zoomorphic architecture  
New animal architecture  
Zoomorphism and bio-architecture  
Development and history of  
zoomorphic architecture  
The philosophy and mathematics of  
zoomorphic architecture

Sustainability in zoomorphic  
architecture  
New classical buildings and  
structures  
Aims and characteristics of  
zoomorphic architecture  
Zoomorphic architecture and  
pioneering architects
