

CALL FOR PAPERS

ICAHNHI 2022
Aug 12-13, 2022
Venice, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAHNHI 2022 : International Conference on Adult Health Nursing and Health Innovations is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Adult Health Nursing and Health Innovations. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Adult health nursing
Nursing systems
Nursing care of older adults
Women's health care
Roles and responsibilities
Health innovations
Evidence based practice
Holistic health assessment and therapeutics
Moral and ethical positions and actions in nursing
Essentials of clinical research
