

CALL FOR PAPERS

ICTS 2022
Sep 06-07, 2022
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICTS 2022 : International Conference on Tourism Studies is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Tourism Studies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:
