

CALL FOR PAPERS

ICAIT 2022
Sep 29-30, 2022
Dubai, UAE

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAIT 2022 : International Conference on Artificial Intelligence and Technology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Artificial Intelligence and Technology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Artificial Intelligence and
Technology
Natural Language Processing
Computer Vision
Bioinformatics
Robotics and Related Fields
Expert Systems
Multi-agent Systems
Speech Understanding
Knowledge Engineering
Distributed Intelligent Processing
Concurrent and Parallel Processing
Intelligent Database Systems
Supervised and Unsupervised
Learning

Neural Network Theory and
Architectures
Hardware Implementations
Fuzzy Logic
Fuzzy Optimisation
Fuzzy Control
Fuzzy Computing with Words
Theory of Evolutionary Algorithms
Evolutionary Design
Evolutionary Scheduling and
Optimisation
Rough Sets Theory: Foundations and
Applications
Data Mining
Artificial Intelligence in
Scheduling and Optimization
Artificial Intelligence in
Modelling and Simulation
