

CALL FOR PAPERS

ICAOD 2022
Sep 06-07, 2022
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAOD 2022 : International Conference on Advanced Organization Design is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Advanced Organization Design. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Organization design	Optimizing organization design and business modeling
Organization architectures and structures	Organizational effectiveness
Organizational design and organization management	Organizational design and models
Organization design tools and organization choices	Organizational case studies
Sustainable applications	Organization design
Digital world and transforming organizations	Organization effectiveness
Agile organizations	Change management
Organizational alignment	Innovation and strategy
Large and complex organizations	Human resources and operations
