

CALL FOR PAPERS

ICPMF 2022
Sep 06-07, 2022
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPMF 2022 : International Conference on Political Movements and Feminism is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Political Movements and Feminism. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Aspects of Feminism, Gender and the Working Class
Beyond Sexless Class and Classless Sex
Building a Multiracial, Working-class Women's Organization
