

CALL FOR PAPERS

ICSTM 2022
Sep 06-07, 2022
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSTM 2022 : International Conference on Sustainable Textile Manufacturing is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Sustainable Textile Manufacturing. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Approaching Sustainability in
Textile and Garment Industries
Biodegradable Textile Products and
the Assessment of Biodegradability
Carbon, Energy and Water Footprints
of Textile Products and in the
Clothing Manufacturing Chain
Clothing Swapping
Consumer Behaviour Towards
Sustainable Textile and Fashion
Cotton and the Environment
Development of Environmental and
Sustainable Indicators
Development of Sustainable,
Eco-friendly Textile Products and
Processes
Eco-labels for Textiles and
Clothing Sector
Environmental and Social Life Cycle
Assessment of Textile Products
Environmental Management of Textile
and Clothing Supply Chain
Environmental Protection and
Sustainability in the Textile
Industry
Environmental Standards for Textile
Industry

Environmental Sustainability
Through Textile Recycling
Evaluation of Environmental Impacts
of Textiles and the Clothing Supply
Chain
Fashion and Textile Technologies
Functional Life and Reusability of
Textile Products
Global Supply Chain Sustainability
in the Textile Industry
Green Chemistry, Clean Technology
and Their Applications to Textiles
and Clothing Sector
Modelling of Environmental Impacts
of Textile Products
Policy Initiatives for Sustainable
Textile Production
Pollution Abatement in Textile
Sector
Polyester Textiles
Recycled Clothing
Recycled Textile Materials and the
Evaluation of Recycling
Social and Economic Aspects of
Textile Products
