

CALL FOR PAPERS

ICHWCTHD 2022
Sep 20-21, 2022
Toronto, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHWCTHD 2022 : International Conference on Health Workforce and Current Trends in Health and Disease is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Health Workforce and Current Trends in Health and Disease. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Healthcare trends
Women's health
Chronic disease

Gender disparities
Health workforce
Funding models
