

# CALL FOR PAPERS

**ICEEPA 2022**  
**Oct 21-22, 2022**  
**Athens, Greece**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEEPA 2022 : International Conference on Employee Engagement and People Analytics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Employee Engagement and People Analytics. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Employee engagement and motivation  
Organisational success  
Employee reward and incentives  
Impact of technology on workplace health, safety and wellbeing  
Developing people and capability  
Effective group learning strategies  
Regulatory environment for work and employment  
Performance management  
People analytics and future of work

Employee voice  
Collective bargaining and negotiations  
Conflict resolution  
Offering work flexibility  
Organization development  
Corporate strategy  
Cross-functional teams  
Diversity and equality  
Employment law
