

CALL FOR PAPERS

ICBBE 2022
Oct 21-22, 2022
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBBE 2022 : International Conference on Biodiversity, Bioresources and Ecology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Biodiversity, Bioresources and Ecology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Biodiversity, Bioresources and Ecology
Biodiversity and Ecosystem Research
Biodiversity and Molecular Ecology
Biodiversity Conservations
Botanical Biology and Ecology
Ecology and Conservation
Environment Conservation
Forestry and Wildlife
Marine Biology and Biodiversity

Marine Bioresource and Environment Sensing
Marine Bioresource and Environmental Science
Marine Bioresource Science
Marine Bioresources Conservation and Management
Marine Environmental Science
Marine Industrial Science and Technology
Plant Physiology and Genetics
Reproductive Ecology
Wildlife Conservation
