

CALL FOR PAPERS

ICEESB 2022
Oct 21-22, 2022
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEESB 2022 : International Conference on Ecotourism, Environmental Sustainability and Biodiversity is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Ecotourism, Environmental Sustainability and Biodiversity. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Ecotourism
Sustainable tourism
History of ecotourism
Improving sustainability
Sustainable planning and design
Gender and ecotourism
Tourism and protected areas
Developing sustainable tourism destinations

Sustaining culture and history
Wildlife conservation and biodiversity protection
Physical, social and psychological impacts of ecotourism
