

CALL FOR PAPERS

ICHD 2022
Oct 21-22, 2022
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHD 2022 : International Conference on Horticulture and Design is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Horticulture and Design. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Horticulture
Horticultural applications
Protection of horticultural products
Handling of horticultural products
Processing of horticultural products
Agricultural economics
Agronomy
Biotechnology

Entomology
Plant nutrition
Plant breeding
Plant pathology
Pomology
Postharvest physiology
Soil science
Viticulture
