

CALL FOR PAPERS

ICOCS 2022
Oct 21-22, 2022
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICOCS 2022 : International Conference on Organizational Cybernetics and Social Systems is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Organizational Cybernetics and Social Systems. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Organizational cybernetics
Organizational design, modeling and simulation
Applications of organizational cybernetics
Effective social organizations
Management cybernetics
Organizational cybernetics approach
Cultures, strategies, structures, operations
