

CALL FOR PAPERS

ICSSVCC 2022
Oct 21-22, 2022
Athens, Greece

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSSVCC 2022 : International Conference on Service Systems and Value Co-Creation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Service Systems and Value Co-Creation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

- Service systems
- Smart service systems
- Service business models
- Service knowledge
- Multi-disciplinary analysis
- Service evolution
- Service innovation

- Service design methodologies
- Service information
- Service-oriented architecture
- Users' involvement
- Viable systems approach
- Value co-creation
