

CALL FOR PAPERS

ICELA 2022
Oct 25-26, 2022
Bali, Indonesia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICELA 2022 : International Conference on Educational Leadership and Administration is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Educational Leadership and Administration. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Educational leadership
Historical development of the field
educational leadership
The teaching role vis-à-vis
administrative function of leaders
Factors for an effective and
efficient school management
Comparative educational leadership
across the world
Political pressure in school
administration

Indigenous approaches and
strategies of leading a globalized
school
The art and science of educational
leadership
Traits and characteristics of an
educational manager
Optimizing Web 2.0 in school
administration
Curricular and pedagogical
leadership
Relevance of traditional style of
educational leadership
