

# CALL FOR PAPERS

**ICNICN 2022**  
**Oct 28-29, 2022**  
**Lisbon, Portugal**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNICN 2022 : International Conference on Neonatal Intensive Care Nursing is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Neonatal Intensive Care Nursing. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

- |  |  |
|--|--|
