

# CALL FOR PAPERS

**ICADSD 2022**  
**Oct 21-22, 2022**  
**London, United Kingdom**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICADSD 2022 : International Conference on Animal Dermatology and Skin Disorders is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Animal Dermatology and Skin Disorders. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Animal Dermatology  
Differential Diagnoses and Algorithms  
Diagnostic Techniques  
Bacterial Skin Diseases  
Fungal Skin Diseases
