

CALL FOR PAPERS

ICCSS 2022
Oct 21-22, 2022
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCSS 2022 : International Conference on Clothing Sizes and Standardization is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Clothing Sizes and Standardization. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Clothing sizes
History of standard clothing sizes
Sizing systems and ready-to-wear
Sizing standardization
Fit models and target markets
Pattern grading and specification
Mass customization and sizing

Sizing and clothing aesthetics
Sizing for the home sewing industry
Production systems, garment specifications and sizing
International standards
Sizes in women's clothing
Sizes in men's clothing
Sizes in children's clothing
