

CALL FOR PAPERS

ICEELL 2022
Oct 21-22, 2022
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEELL 2022 : International Conference on Engineering Education and Lifelong Learning is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Engineering Education and Lifelong Learning. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Accreditation and evaluation
Engineering Education Reforms
International Recognition of
Qualifications
New Technologies in Engineering
Education
Industry and Education
Collaboration
Globalisation in Education
Women in Engineering Education
Changes and Challenges in
Engineering Education
Computer and Web based software

Distance learning: methods,
technologies, and assessment
Outcome Based Education
Linking Academic Knowledge with the
Industrial Needs
Research and development in
Engineering Education
Quality Assurance in Engineering
Education
Education in Applied Sciences
Education in Social Sciences
Education in Life Science
