

# CALL FOR PAPERS

**ICHD 2022**  
**Oct 21-22, 2022**  
**London, United Kingdom**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHD 2022 : International Conference on Horticulture and Design is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Horticulture and Design. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Horticulture  
Horticultural applications  
Protection of horticultural products  
Handling of horticultural products  
Processing of horticultural products  
Agricultural economics  
Agronomy  
Biotechnology

Entomology  
Plant nutrition  
Plant breeding  
Plant pathology  
Pomology  
Postharvest physiology  
Soil science  
Viticulture
