

CALL FOR PAPERS

ICADMIP 2022
Oct 04-05, 2022
Tbilisi, Georgia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICADMIP 2022 : International Conference on Advances in Digital Media and Information Processing is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Advances in Digital Media and Information Processing. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Computer graphics
Computer animation
Motion control
Motion capture and retargeting
Path planning
Physics-based Animation
