

CALL FOR PAPERS

ICALBC 2022
Oct 04-05, 2022
Tbilisi, Georgia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICALBC 2022 : International Conference on Agroforestry, Landscaping and Biodiversity Conservation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Agroforestry, Landscaping and Biodiversity Conservation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Biomass utilization

Forest ecology and biodiversity

Grassland and natural resource
management

Landscape restoration and
agroforestry

Applications of agroforestry

Alley cropping

Strip cropping
