

# CALL FOR PAPERS

**ICAPPS 2022**  
**Oct 04-05, 2022**  
**Tbilisi, Georgia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAPPS 2022 : International Conference on Advances in Pharmacological and Pharmaceutical Sciences is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Advances in Pharmacological and Pharmaceutical Sciences. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

|   |  |
|---|--|
| Adrenergic Drugs  | Clinical Pharmacology                      |
| Advances in Novel Drug Delivery Systems   | Clinical Pharmacy                          |
| Advances in Pharmacological and Pharmaceutical Sciences                                     | Clinical Toxicology                        |
| Anesthesia Pharmacology   | Clinical Trials                            |
| Antibiotics   | Design and Optimization of Dosage Regimens |
| Application of Membrane Protein Structure Determination and its Applications in Drug Design | Drug Development                           |
| Bioavailability and Bioequivalence Studies  | Drug Discovery and Development             |
| Biochemical Pharmacology  | Drug Metabolism and Interactions           |
| Biopharmaceutics and Pharmaceutics  | Endocrine Pharmacology                     |
| Characterization of Drugs and Biotherapeutics   | Gene Targeted Drug Delivery Systems        |
| Chemotherapy and other Antineoplastic Drugs   | Immuno-pharmacology                        |
| Cholinergic Drugs   | Mechanism of Drug Toxicity                 |
| Clinical Pharmacokinetics   | Molecular Pharmacology                     |
