

CALL FOR PAPERS

ICCCWCT 2022
Oct 04-05, 2022
Tbilisi, Georgia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCCWCT 2022 : International Conference on Composite Classes and Whole-Class Teaching is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Composite Classes and Whole-Class Teaching. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Composite classes
Attainment in composite classes
International practice
Sustainable schools policy
Composition of multi-grade classes
Curriculum organization and lesson planning
Whole-class teaching
Educational outcomes of composite classes

Multi-age learning and teaching
Teaching strategies for composite classes
Multi-age grouping practices
Multi-age and multi-grade education
Cooperative learning groups
Main components of a composite classroom
Difficulties of composite classes
Applications of composite classes
