

# CALL FOR PAPERS

**ICHWA 2022**  
**Oct 04-05, 2022**  
**Tbilisi, Georgia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHWA 2022 : International Conference on Health and Welfare of Animals is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Health and Welfare of Animals. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Animal health  
Anthrozoology  
Livestock production and welfare  
Enrichment of captive animal environments and the promotion of natural behavior

The welfare of under-represented groups, such as fish, reptiles, amphibians, invertebrates, and birds  
Behavior and welfare of groups that may be at particular risk of impaired welfare due to complex needs in captivity, such as primates, psittacines, and marine mammals.  
Equine behavior and welfare
