

CALL FOR PAPERS

ICCRAA 2022
Nov 29-30, 2022
Bangkok, Thailand

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCRAA 2022 : International Conference on Cross-Cultural Researchs and Anthropological Analysis is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Cross-Cultural Researchs and Anthropological Analysis. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Cross-cultural studies	Testing hypotheses about human behavior and culture
History	Statistical analysis
Modern era of cross-cultural studies	Surveys of ethnographic data
Cultural anthropology	Regional and global issues
Regional and area studies	Global dynamics and problems
Holocultural studies	Cultural perspectives and approaches
Comparative studies	Cross-cultural environments
Anthropological analysis	Cultural assumptions
Anthropological studies	Cultural dynamics
Causes, consequences and complexities of culture	Cultural diversity
Study of cultural variation among humans	Negotiating differences
