

# CALL FOR PAPERS

**ICAEE 2022**  
**Nov 15-16, 2022**  
**Jeddah, Saudia Arabia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAEE 2022 : International Conference on Advances in Electronics Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Advances in Electronics Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Electronics and Communications  
Engineering  
Microwave Engineering  
Informatic and Communication  
Engineering

Applied Electronics  
Coding and Signal Processing
