

CALL FOR PAPERS

ICAME 2022
Dec 09-10, 2022
New York, USA

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAME 2022 : International Conference on Alternative and Modern Energy is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Alternative and Modern Energy. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Distributed Energy
Distributed Energy Market
Innovations
Modern Energy Support
Home Energy Performance
Domestic Energy Poverty
Energy Ladder

Energy and Education
New Concepts in Alternative Energy
Ecological Friendly Alternatives
Enabling technologies for
Alternative Energy
Clean Energy with Graphene
