

CALL FOR PAPERS

ICAPSPT 2022
Dec 13-14, 2022
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAPSPT 2022 : International Conference on Applied Plant Science and Production Technology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Applied Plant Science and Production Technology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Plant Pathology and Plant-Microbe
Biology
Plant Synthetic Biology
Medicinal and Aromatic Plant
Sciences
Plant Morphology and Plant
Metabolism
Plant Breeding and Molecular
Breeding
Soil science and Plant Nutrition
Plant Ecology and Diversity
Horticulture and Landscaping

Nanotechnology and Plant Sciences
Plant and Forest Physiology and
Biochemistry
Plant Tissue Culture and Plant
Biotechnology
Agricultural Science and Weed
Science
Computational and Systems Biology
Plant Genomics
Plant Genetics and epigenetics
