

CALL FOR PAPERS

ICNTT 2022
Dec 13-14, 2022
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNTT 2022 : International Conference on Nutritional Therapies and Treatments is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Nutritional Therapies and Treatments. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Nutritional epidemiology
Importance of nutritional
therapies

Plant nutrition and nutraceuticals

Medicinal foods and probiotic
nutrition

Nutrition in cancer treatment
